### Vertical Grain Lumber

Vertical Grain

Flat Grain

Lumber is milled in a variety of different qualities, the highest of which is cut perpendicular to the grain. Lumber cut in this fashion is commonly referred to as "vertical grain" lumber. Vertical grain lumber is known to be the best, not only because it enhances the rich beauty of wood graining, it is also more stable, resulting in greater resistance to warping and cracking.

### Raynor Residential Openers

Raynor offers a full line of residential openers, featuring a variety of horsepower and configuration options. Our residential opener offering has been carefully constructed, providing an ideal solution for any application demand. Ask your Authorized Raynor Dealer about our residential openers, and select the ideal Raynor opener for your home.

ULTRA

Reliable 3/4 HP chain drive provides excellent performance in a dependable residential opener.

ArborShore™ doors are also available for various windload applications. Contact your Raynor Dealer for additional details.

### The Raynor ArborShore Collection™ Limited 5-year Warranty\*

Raynor Garage Doors (Raynor) warrants the wood door sections of the ArborShore Collection, and related hardware, against defects in material and workmanship, and against rot through due to normal weather damage, for the following terms:

**Door Sections:** The door sections are warranted for five (5) years from date of delivery to original purchaser. Doors ordered with the Deluxe Stain Option, featuring a second clear top coat, receive an additional year, for a total of six (6).

**Hardware:** The hardware is warranted for one (1) year from date of delivery to original purchaser.
